GOLF TOWN HALL MEETING – January 10, 2012 at 3:00 pm

Residents are welcome to join Bernie Eaton and Mike Roddy in the Activity Center to review the proposed improvement work for the Catalina Nine. Bernie and Mike will provide a hole by hole overview of the “core scope of proposed work” and propose additional improvements for feedback from residents welcome.

CRAZY PAR 3 EVENT – January 25, 2012 at 2:30 pm

Are you ready for laughs and tons of fun! The Crazy Par 3 event is an event like no other. We will turn all the holes on Catalina into “very unique Par 3’s” and turn you loose on the course! This event is a 6 person Scramble and costs only \$15 for dinner at prizes. Entry forms available in the golf shop.

GOLF MAINTENANCE UPDATE

Mike Roddy, Golf Course Superintendent

Tucson: **Red Flags** are now permitted to drive on the Tucson Course on the following holes: **# 10, 12, 14, 16, and 18.** The following holes remain CLOSED to ALL CARTS: Holes #11, 13, 15, and 17. Divot mix is available in the small boxes and should be used to fill divots on the fairways and tees only. The large divot boxes contain only sand which should be used in the rough. Please repair all ball marks. Thank you for your help in maintaining the course.

Anticipated weekly activities:

- Spot treatment of cool season grasses on greens
- Topdressing of selected fairways
- Color application to greens
- Granular fertility application to all Ryegrass

Catalina: Holes 19, 20, 23, and 25 are open to carts using **“The Gate System”**. Holes 21, 22, 24, 26 and 27 are **Cart Path Only**. Divot mix with seed is available in the small boxes and should be used to fill divots on the fairways and tees only. The large divot boxes contain only sand which should be used in the rough. Please repair all ball marks. Thank you for your help in maintaining the course.

Anticipated weekly activities:

- Desert area clearing
- Granular Fertility application to all Ryegrass

SaddleBrooke: Holes 1, 4, 5, 8 and 9, are open to carts using **“The Gate System”**. Holes 2, 3, 6, and 7 are **Cart Path Only**. Divot mix with seed is available in the small boxes and should be used to fill divots on the fairways and tees only. The large divot boxes contain only sand which should be used in the rough. Please repair all ball marks. Thank you for your help in maintaining the course.

Anticipated weekly activities:

- Color application to greens
- Spot treatment cool season grasses on greens
- Afternoon post emergent herbicide application to all Roughs on Wed., Jan. 4th

Driving Range: Driving Range Maintenance is scheduled on Monday's and Wednesday's from 10am to 11:30am.
